

The graphic features a blue background with a repeating pattern of yellow, cratered spheres resembling the planet Mercury. The title 'MERCURY RETROGRADE' is written in large, bold, red capital letters, with 'DIY SOLID PERFUME' in smaller red capital letters below it.

MERCURY RETROGRADE

DIY SOLID PERFUME

What you'll need:

2 Tbsp Beeswax pearls

2 Tbsp Jojoba Carrier Oil (or carrier oil of your choice)

15-20 drops Mercury Retrograde Blend

Small tins or jars

What you'll do:

Melt beeswax over a double boiler.

Stir in a carrier oil. Remove from heat.

Stir in 15-20 drops of Mercury Retrograde Blend. Pour into small tins or jars and cap tightly to cool.
