

Forest Fresh Cleaning Spray

WHAT YOU'LL NEED:

3 oz distilled water
1 oz Everclear
1 tsp Sal Suds
40 drops Pine
30 drops Black Spruce
20 drops Lemon
10 drops Tea Tree

WHAT YOU'LL DO:

Measure out distilled water. Remove 1 teaspoon of water. Measure out 1 oz of Everclear (or the highest vodka/grain alcohol you can get). Add essential oils and Sal Suds to the alcohol and mix well. Mix the alcohol solution into the water and mix well. Pour into a spray bottle(s) and clean!

*If you don't have Sal Suds or can't find it in your local health food store, you can substitute for your favorite dish soap.
