

Plant Therapy®
ESSENTIAL OILS

DIY HAND SANITIZER

WHAT YOU'LL NEED:

1/3 cup 190 proof
Everclear/ethanol or 99%
isopropyl alcohol
1/8 cup Aloe Vera Jelly
43 drops Defender, Germ
Fighter, or Germ
Destroyer

WHAT YOU'LL DO:

Measure out Ethanol and Aloe Vera Jelly into different containers. Mix the essential oils in the ethanol and then slowly add in the Aloe Vera Jelly while mixing with an immersion blender. Once blended, pour into your sanitizer container and use as needed.
